**Permit Deposit includes:**

- Two additional plan revisions
- Final Plans (Six sets for Permits & Construction)
- Truss Engineering (for Permit)
- Final quote for contract

**Permit Deposit:** **\$ 3,000.00**

*Non-refundable, see below for details*

**PLEASE NOTE:**

The vendor hereby agrees to supply the Purchaser six complete sets of home plan prints. The Purchaser can request up to two revisions at no cost; additional changes will be charged out at \$65/hr (non-refundable). All sales are final and prices are subject to change without notice. Upon purchase of the Winton Home package, both the Permit Deposit and the Design Deposit will be credited to the contract.

Truss engineering will be supplied as part of the Permit Deposit package. Some building authorities may require additional engineer's reports (for foundation plans and details, review of all structural members, connections and hold-downs). These other engineer's reports and their associated costs are the responsibility of the Purchaser.

We the Purchaser(s) have read the terms and conditions as specified above and fully understand them.
